

# Training on

# GREEN INCLUSIVE FINANCE

Prepared by

**the Heads of the e-MFP Green Inclusive and Climate Smart Finance Action Group**

Davide Forcella (CBIFI, YAPU Solutions, CERMi, GICSF-AG)

Natalia Realpe Carrillo (HEDERA Sustainable Solutions, IASS, GICSF-AG)

## Object

The training modules on green inclusive finance are aimed at interested stakeholders as an introduction to the topic.

## Intellectual Property

The e-MFP Green Inclusive and Climate Smart Finance Action Group (GICSF-AG) is the owner of this training. Its name must be included and acknowledged in every copy and use of the present training.

Nevertheless, the training also contains material of GICSF-AG members, as well as other sector stakeholders. All sources are acknowledged, to the extent possible. We thank all stakeholders whose work contributed to the material presented in this training. All materials in the training module that are the intellectual property of other third parties remain the property of those third parties, and there is no transfer of intellectual property for those items. The sources of the material and the intellectual property references in the slides must be maintained and acknowledged in every copy and use of the present training module. The authors of the training module must be included and acknowledged in every copy and use of the present training module.

## Authors

Davide Forcella (CBIFI, YAPU Solutions, CERMi, GICSF-AG)

Natalia Realpe Carrillo (HEDERA Sustainable Solutions, IASS, GICSF-AG)

## How this document should be cited

e-MFP GICSF-AG Green Inclusive Finance Training (2021), Forcella, D. & Realpe Carrillo, N.
